

2008 INEDA Convention Well Worth the Trip!

The INEDA convention in LaVista, Nebraska last week was very informative, including a terrific morning session regarding the state of agriculture in the U.S. and its impact on the equipment dealer industry.

Doug Miller, regional sales manager, and Anne Salemo, President, of Charter Software were in attendance at the convention. It was great to see so many of our customers there as well as talk to many others who are interested in our business management system. Thanks to Andy Goodman and the Board of INEDA for putting together a great 2008 convention!
