- Fast Electronic Transaction with CNH: SRT Flat Rates, AMAX, NGPC, CCN Web, CSPA, Gateway, Financials
- CNH Price and Super-session Updates

CNH Case New Holland dealers who use ASPEN have grown in size and in profitability!

FAST TRANSACTIONS with CNH from a POWERFUL DEALERSHIP SYSTEM

Charter Software is proud to be one of the few software vendors that CNH Case New Holland chooses to work with.

Charter's development team regularly meets with CNH Case New Holland to review and implement their latest initiatives for integration with our software, ensuring that CNH dealers always have the latest tools at their disposal and meet CNH dealer requirements.

"Dealers using AMAX dramatically increased their parts turns by stocking just the inventory they need just by using AMAX forecasting, ordering logic, maintenance and reporting tools."

-Sue Lash, AMAX Manager, CNH Parts & Service

Business Management System for CNH Dealers

Save Time, Reduce Errors

Eliminate Double-Entry

Improve Parts Fills/Turns

Streamline Parts Ordering

Automatic parts price file updates

Integration with NGPC, AMAX, CCN Web, CSPS, CNH Gateway

ASPEN's integration with CNH saves dealers hours otherwise spent in parts lookup, order processing, and re-keying data!

Connectivity between CNH and ASPEN:

- **CCN Web Integration & CSPS Part Orders and Returns**
View detailed parts and ordering information and CNH Depot and Locator Availability when entering parts numbers in ASPEN invoicing, parts order or parts maintenance screens. Submit/check status of CNH stock/emergency orders from ASPEN's parts order screen. Quickly download parts parameters, depot Information.
- **Promo Orders**
Save hours creating suggested orders with access to updated Promo IDs from ASPEN.
- **AMAX Communications and Breadth Reporting**
Qualify for stock order discounts and populate Dealer Locator*, import AMAX Suggested Orders/Surplus Returns and Push/Pull Transfers into ASPEN.
- **CNH SRT/Flat Rate Files**
Pre-populate job steps, flat-rate hours and parts on ASPEN work orders—no need to manually look up and re-key information into service documents.
- **Sales and Financial Reporting**
Easily transmit financial data from ASPEN chart of accounts and Customer Sales History Reports to CNH.
- **Integration with NGPC**
See your ASPEN parts information, pricing, bin location and other parts data in NGPC, and transfer NGPC parts pick lists to ASPEN invoices, work orders, and parts orders.
- **CNH Capital CRA Promotions/Transactions**
Receive notification of best available CNH Capital parts and service promotions at point of sale, and process transactions directly to CNH Capital from ASPEN's Point of Sale or work order screen. Safely store CNH CRA numbers on ASPEN Customer Record, saving processing time.
(Gateway Interface sold separately)

* US CASE dealers only.

WE LINK TO CNH

The ASPEN CNH Communications Interface is continually updated with new functionality at no additional charge!
